**SUPERNOFA (Notice of Funding Availability)
and REGISTRY OF COMMUNITY ORGANIZATIONS
Through the CDBG and HOME Programs**

The City of New Orleans, through the Office of Community Development (OCD), announces the availability of funds in 2010 to community based, not-for-profit, for-profit and faith-based organizations that implement programs and/or projects addressing housing and community development needs. Only organizations certified on the Office of Community Development's Registry of Community Organizations are eligible to receive funding under this SuperNOFA. **These funds are available for the Community Development Block Grant Program and the HOME Program.**

The purpose of the Registry is to ensure that applicants meet minimum eligibility requirements to receive federal and state grant funds through the Office of Community Development for Program Year 2010 (January 1, 2010 - December 31, 2010). Certification on the Registry does not guarantee funding for Program Year 2010. Applicants certified for eligibility on the Registry must successfully complete the SuperNOFA process to receive funding.

Registry and NOFA applications for CDBG and HOME are available at www.cityofno.com or at the Office of Community Development at 1340 Poydras Street, 10th Floor **beginning Monday, October 19, 2009**. Deadline to submit both Registry and NOFA applications is **Friday, November 20, 2009**.

Completed Registry and NOFA applications are due by 3:00 p.m.
